Classes, Co-ops, Groups, and Clubs

Do you or a family member have a passion or talent such as cooking, gardening, sewing, quilting, auto mechanics, computer skills, photography, graphic design, physical fitness, music, or other hidden talents? Are you skilled in a subject such as math, literature, science, foreign language, or history? Have you ever wanted to lead a Bible Study in a group with your student? Do you wish your student could connect more with other students in the Academy?

If you answered yes to any of the above questions, you may want to consider sharing your gifts and talents with the students of Verity Academy by coordinating a class, co-op, club, or group. Every class, co-op, club, or group should be offered to a variety of grade levels, preferably at least four grade levels. Depending on the class, group, or club, more range in grade levels is often workable.

Please read “How to Plan a Class” before signing up to lead a class, co-op, group, or club. When signing up for a class, co-op, or group/club that isn’t listed, please give a brief title and how many classes or meetings that you plan to organize. You will be contacted by the Class Coordinator who will send you a class proposal form for you to fill out with all of the details of the class. She will also give guidance for planning your class.
